

I, Jijo Jose, 1st year M. Tech student contesting for Joint Secretary (Sports), propose to do following if elected:

DUTIES:

- I will attend all the sports meetings
- I will ensure that all the details of the sports related activities reaches everybody in our department.
- I will create a database for students and their interests and skillsets in various sports and games.
- I will ensure our department participates in all the inter department competitions.
- I will try to arrange practice matches at least 2 weeks prior to the competitions.
- I will ensure that a good environment is there in the department among seniors and juniors and the team comprises of the best players regardless of their seniority or courses they enlisted in.
- I will try to ensure that no interested individual misses any workshop in the Campus due to lack of information.

INITIATIVES:

- I will try to conduct one fitness workshop per semester to improve the fitness consciousness in the department.
- I will ensure that the sports t-shirt is designed as early as possible and distribute it once the new admissions commence.
- I will try to improve the participation of girls in sports in the department. I will try to appoint some mentor (who is good in sports) to help them in different games.
- I will try to conduct one sports quiz per semester in IEOR department to promote the sports awareness.
- I will try to get practice slots according to the convenience of interested students.
- I will try to arrange friendly matches in different sports with other departments.
- I will try to make one nominee for each game to ensure active participation of students in different sports.
- I will strengthen the winning culture in the department by encouraging students to actively participate in different sports activities.

ACTIVITIES:

- Participated in Kho-Kho and basketball in PG sports.
- Represented Hostel 16 in football.
- Champions in MFL 2016
