

Manifesto

I, **Harshal Yeole (153190018)**, if elected for the post of **Department Placement Coordinator (DPC) - IEOR**, propose to do the following things:

1. **Work hard to ensure** that every student of department would get placed. To make sure this happens, I will arrange mock **Aptitude Tests, Group Discussions and Personal Interviews**.
2. Will prepare best possible **pitching material for different kinds** of companies like analytical, core, finance etc.
3. Maintain **good relation** with company coordinator.
4. Always keep in touch with **placement activities** and ensure that all department students also know that.
5. Understand **placement policy** thoroughly and ensure all students from department know it properly.
6. Ensure that all the **resumes** are up to date.
7. Prepare a **wish list** of all the companies that student desire and convince cc to contact all companies to invite them for placements.
8. Take a frequent **feedback** from each department student regarding placement queries and resolve their issues as soon as possible, taking help of placement department if necessary.
9. With the help of joint sec. H.R. will arrange **Buddy talks**.
10. Collect information of companies which can recruit from IEOR at IITB but instead do the same at other IITs or NITs and hand over it to CC.
11. **Work sincerely** to ensure smooth and successful placement season for our department.
12. To remain impartial to all program (M.Tech, M.Sc., PhD) in IEOR.

Credentials:

- I had experience in doing work in a team e.g. participated in events like BAJA, SUPRA(designing and fabrication of car).
- Got **2nd** rank in **ROBOWAR** event at Government college of Aurangabad.
- Got **"Best Design Award"** in Cummins College for War Robot.
