

MANIFESTO

I, **Kaushal Kr. Singh Gautam**. M.Sc. Ph.D 1st yr, am standing for the post of **Sports Secretary, Department of IEOR, IIT Bombay** in the **Departmental election 2012-13**. If I should be elected for the post, I will ensure the following –

General points

- ☐ Creating vibrant sporting atmosphere in the Department.
- ☐ Will attend all the meetings and collaborate with **Institute Sports Secretary and Institute PG Sports Nominee**.
- ☐ Will collaborate with the Departmental G. Sec. to publish a **Booklet** which will contain information about all the sports events in the academic year.
- ☐ Will organize Football, Cricket, Basketball, Volleyball, Table Tennis, Badminton, Carom, Chess teams in Department. Will especially put my efforts into the formation of Swimming, Hockey, Lawn Tennis teams etc.
- ☐ Ensure **better participation** in **PG sports**.
- ☐ I will put all the information about the sport events on the departmental notice board and at departmental IEOR group on Google.

New proposal

-There is a lack of knowledge/information regarding the interests and specializations of different members of the IEOR family in various sports. So, I propose to circulate a questionnaire to gain such vital information for team-building.

-I will make an IEOR Sports group on Facebook which will help the student for gaining all relevant information in the upcoming sports event of the department. Further, I will ensure that all team photographs of most of the games played are put up on the department web-page.

- Our department due to lack of funds lack department sports equipments which could be used for department sports practice sessions. With the formation of IEORSA and the possible availability of funds, sports equipments could be bought and used, without having to rely on hostel equipments.

- ☐ I propose to arrange an orientation in the autumn semester where all the students will be given the above mentioned booklet and other sports related information.
- ☐ I promise to make a class wise database where I will have full information about every student as collected from the questionnaires.
- ☐ I would like to bring forth ideas such as intra-department Football, Cricket tournaments, just as the Premier Leagues, so that, hidden talents can come out amidst all the fun.
- ☐ I promise that I will arrange some competitions only for girls as per their *interests* so as to motivate them to participate in PG Sports.
- ☐ I will ensure certificates for all the winning members of every tournament and **competition.**
- ☐ I will maintain all the newly introduced sports equipments and try and enhance their qualities.
- ☐ I will approach the faculty coordinator of IEORSA for a separate fund for sport activities.
- ☒ I will conduct Departmental trials for each sport activity early in the autumn semester so that members in the team will have enough time for practicing and coordinating among themselves.
